Shaping Austin's future — together

Austin Community Foundation is working toward a shared vision of a vibrant and equitable community for everyone, and we need all of Austin to make that vision a reality. Let's start by bringing all of our communities together at *Austin in Common*, an evening of connection, celebration and looking ahead to an Austin we all want. *Austin in Common* will highlight the ways we can solve big problems together, honoring Austin's past and envisioning its bright future.

How you can get involved

- / **Attend our event.** *Austin in Common* will be a festive evening to be entertained, enlightened and inspired.
- / **Become a sponsor.** Whether as a corporate or individual sponsor, your sponsorship demonstrates your commitment to investing in Central Texas.
- / **Volunteer.** Join the Host Committee, a group of dynamic leaders serving as ambassadors for ACF and our work. Contact Elizabeth Peña at epena@austincf.org to learn more.
