

DONOR ADVISED FUNDS

A donor advised fund (DAF) at Austin Community Foundation is your personal account for charitable giving.

Whether you're looking for a simple way to optimize giving or craving a strategy to guide your philanthropic vision, a DAF at ACF offers a thoughtful, straightforward approach to charitable giving.

A DAF accepts a variety of assets and offers you the convenience of supporting charitable organizations when and where you choose. The assets of your fund can be invested for potential growth, allowing you to increase your charitable giving.

When you establish a fund at ACF, you gain access to a deep familiarity and connections to our community, as well as unique insights into the causes that donors care about most. And unlike establishing an account elsewhere, your charitable assets are mobilized for maximum impact in the community and beyond.
